

DoD UID
MIL-STD-130N
Next Day

SimplyRFiD Pro-Tags UID™. Guaranteed UID Compliance.

1. Clean an area of the part with a dry or damp cloth.
2. Peel your custom printed SimplyRFiD Pro-Tags™ UID label.
3. Apply the label directly to your part. Save the additional copies for your reference.
4. Ship your order and submit your Receiving Report to the W.A.W.F.

SimplyRFiD will ensure that your label requirements are met with accuracy. We use certified label stock and ribbons designed specially for the MIL-STD-130N. SimplyRFiD verifies each batch of labels to ensure that every label we send is Grade-A. Pro-Tags™ UID are UL (Underwriters Laboratory) and DoD certified to meet the DoD UID durability requirements for indoor UID tags.

Where have all the barcodes gone?

The MIL-STD-130N is suggesting the removal of all 1-dimensional barcodes from UID labels. SimplyRFiD is now offering a smaller, 2"x1" UID label with no extra barcodes.

Guaranteed for the Life of the Part.

Pro-Tags™ UID are for indoor parts. They are weather (outdoor) resistant for up to three years. UL (Underwriters Laboratory) conformance tests available.

Ready to Apply. Peel - Stick - Ship™. No special manuals, software to relearn, installation delays. Enter your Pro-Tags™ UID number in the Wide-Area Workflow for IUID and you are done.

Complies with MIL-STD-130N.

Pro-Tags™ offer immediate and total DoD UID compliance. The DoD UID specification is over 40 pages of references to external documents totaling thousands of pages -- SimplyRFiD simplifies the entire process in three words: Peel - Stick - Ship™.

2"x1" DoD UID Label. Small enough to be unobtrusive -- big enough to be readable. Our new 2"x1" label eliminates extra barcodes, giving you more room for human-readable information.

Premium Materials. Zebra synthetic label stock is built to be tear-resistant, super-sticky, and printed at 600dpi (dots per inch) for extra-fine resolution.

Certificate of Compliance. SimplyRFiD provides a 'C of C' to demonstrate your proof of compliance with the DoD UID mandate.

Same-Day Shipping. No worry about delaying your contract. We ship all orders confirmed by noon eastern on the same day. For critical shipments, UPS Next-Day service is available until 2pm eastern.
